

Objectives and investment policy**Objectives**

The target of investment activities is to achieve long-term value increase on the invested assets through active asset management pursuant to the Act on Common Funds and the fund's regulations.

Investment policy

The assets are invested mainly in the units of Finnish and foreign mutual funds that invest in the international equity or fixed income markets. Assets may be invested directly in fixed income instruments, equities and derivatives. The returns, such as dividends and interest, will be reinvested. Fixed income investments may account for 0-50% of the assets, and equity-based investments for 50-100%. Furthermore, The Fund can within the limitations set out in the Fund Regulations invest 0-15% in alternative asset classes. On average, equity investments account for 75% of the assets, fixed income investments for 20% and alternative investments 5%. The fund is categorised as article 8 under SFDR and promotes environmental and/or social characteristics, as well as good governance practices, through screening, exclusions, investment analysis and decision-making as well as active ownership. The fund follows Danske Invest's responsible investment policy. The fund's base currency is the euro. The fund is suitable for investors who seek a better return than fixed income investment, tolerate value fluctuations or even decreases, and wish to diversify their assets efficiently among the equity and fixed income markets. Investors may subscribe for and redeem fund units on every banking day.

Recommendation: This fund may not be appropriate for investors who plan to withdraw their money within 5 years.

Return in the period: 30.04.2019 - 30.04.2024

The default for the chart is the return for the past 5 years as of end of month or, if the fund is less than 5 years old, since launch. Past performance is not a reliable indicator of future results. Future returns may be negative. The return may increase and decrease as a result of currency fluctuations if the fund is issued in a currency other than the currency used in the country in which you are domiciled.
